CASSETTE TAPE ORDER FORM

Complete and mail with full payment to: 8-Track Shack, 417 Madison Avenue, Brookville Pa, 15825

Please Print Clearly

Name : _____ # _____
 Facility: _____
 Address: _____

 City: _____ State: _____ Zip: _____

To place your order by mail simply enter the title, artist, quantity and price of the Audio Cassette you'd like to receive. Mail the completed order form and payment to the address above. In the event the tape you've selected is out of stock we will send an alternate. If you are ordering a large quantity of cassettes (over 25) you may send a photocopy of the catalog with your selections checked (mark an A if an alternate selection) along with your payment.

Be sure to list any special requirements your institution may require for the Audio Cassette.

Your order should ship within 7-10 days of receipt. Please allow 15-30 days of mailing your order for the order to arrive at your institution.

- Muddy Waters Self Titled

Special Requirements

Ordering Audio Cassette Tapes

Our Audio Cassette Catalog contains thousands of titles currently included in our online inventory. We've created this catalog for our customers who do not have internet access and/or who are unable to place their order via our online catalog.

There are several areas of the Order Form which will require special attention.

- We do not have catalog or item numbers. All that is required for your order is the Artists Name and the Title of the Album, this can be copied from the catalog as it is listed. The price of each album is also noted. Be sure to add the correct amount for each title, we will return orders and payments which are incorrect or insufficient.
- We have limited stock of some titles so an alternate choice should be included with your order. Please choose an alternate of the same price to be sent in the event your first choice is not available. If an alternate is not chosen and your order is out of stock, we will return your order and payment without fulfillment.
- Special requirements to receive tapes must be noted. It has been our experience that some institutions do not permit cassette tapes in any color, only clear. If your institution requires only clear, sealed tapes; this must be noted on your order form. We will not offer refunds, exchanges or accept returns of items which were rejected by your institution. We will make every effort to comply with the regulations of your particular institution, however, you will need to inform us of your own institutions regulations regarding receipt of Audio Cassettes and the specific characteristics that are allowed or disallowed. Please check with your institution to be sure you are permitted to receive Audio Cassettes from 8-Track Shack. Some states require approved vendors. At this time we are working to receive approved vendor status in these states.
- Colored Audio Cassettes are not permitted in many institutions. This has been a problem for many who which to purchase a particular title which was never released on a Clear Audio Cassette. In order to comply with your institutions regulations and International Copyright laws we have adopted a system of transferring the music from the colored Audio Cassette to a clear Audio Cassette. We will mail the clear Audio Cassette to you with a generic label, the original liner notes and case, sealed. We will also mail the original Audio Cassette to the address of your choice to await your release. Since the Copyright laws allow for transfer from one format to another for your own personal use (as long as you own the original format), this may be permitted. You will still own the original Audio Cassette although it will not be in your possession for a period of time.
- We currently have Approved Vendor status with several New York institutions. Be sure to ask if we are on your institutions Approved Vendor list prior to your order. Institutions in New York do not require clear tapes, only sealed tapes with no screws. An alternate address is not necessary for cassette tape orders shipping to New York institutions.

DON'T FORGET AN ALTERNATE ADDRESS!

In the event we need to transfer your cassette to meet your institutions requirements, we will need an alternate address to ship the original tape.
